

Emergency Action Plan (LUSS)

for "on water" incidents at Luss

In the event of a major incident or injury:

1. Secure the casualty and ensure that they are protected from further danger.
2. Secure the group and make sure that:
 - a. everyone is together
 - b. understands what is happening
 - c. the importance of getting the injured party to shore.
3. Get Casualty to the shore at either:
 - a. LUSS Pier
 - b. Aldochlay LaybyIf they do not require CPR or Spinal Stabilisation
4. Call or ask a member of the group to call 999 and ask for ambulance to this address as appropriate:

LUSS Pier

LUSS

G83 8NN

///edits.overlaps.older

or

Aldochlay Layby

LUSS

G83 8NU

///disgraced.year.crafts

Instruct them to give details of the injury

5. Administer first aid.
There is a First Aid kit attached to the Instructors SUP Board.
6. Perform a head count to ensure that the entire group are safely ashore.
7. Give Medical First Responders, details of incident history and treatment provided so far

The map is on the back of this sheet
